DIOCESE OF CHESTER AND CUF

Summer Newsletter 2018

Welcome to our summer newsletter.

When I think of summer I like to think of rest, relaxation, sunshine and holidays. I hope that is what you will be experiencing because we seem to be obsessed with PLANNING!

We are planning how to finance the future of TLT (any ideas please) and planning some exciting new programmes to offer to churches.

Archdeacons' visitation services

Kath and Wendy attended all the Archdeacons' Visitation Services this year and either spoke or played a video describing 'Filling the Gap'.

The generous donations made at those services totalled £5744.88 with an additional amount to come from Gift Aid. This money will be used to help fund more projects which are designed to provide fun and food to children in the school holidays, especially those who receive free school meals.

Thank you. Please pray that we reach out to more this year

Filling the Gap Heroes

At the end of June we held our Filling the Gap Heroes award ceremony. Bishop Libby came along and presented plaques to some of those churches who have been providing holiday fun and food.

On October 16th we will be holding a Filling the Gap marketplace event where churches who are part of this initiative will be displaying and sharing their ideas and resources. We will be launching our new Resource Pack and we hope to see many others coming to take a look and be inspired to do the same in their parish.

Coming soon.....

Transforming Lives Together are delighted to be working with Julia Webster, Just Finance Officer from Liverpool Diocese. On August 13th she will be 'training the trainers' in an exciting new programme designed to help people to manage their finances better. Cash Smart Credit Savvy has been used by other Joint Ventures such as TLT to help churches and communities to support people in managing their money and making wise choices.

Know Your Church, Know Your Neighbourhood

is a programme which we have run with several churches who want to engage better with their community. We have recently made some changes to make the emphasis more asset based and have shortened the time it takes slightly.

the time it takes signify.

Please pray that we can successfully guide more churches to recognise their assets and engage with their community in a positive and fruitful way.

Thank you for reading our newsletter and if you have committed to being our partner in praying for us and our work we especially want to thank you.

Can we ask that you pray especially for us to find new ways to reach churches and to discover new ways to finance our work.

Please feel free to share this newsletter and to contact us if you want to know more.

Kath and Wendy
